

Provider Directory

Want a New Caregiving Job?

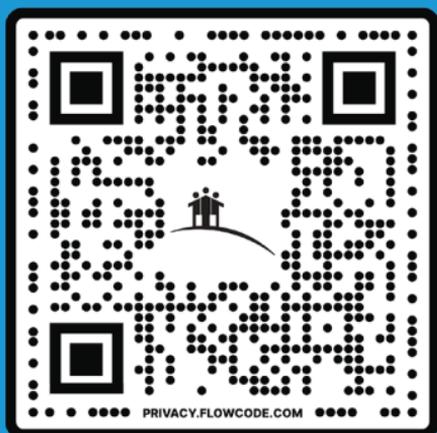

We can help! The CDCN Provider Directory helps you find caregiving work.

The Directory connects you with people nearby who need a caregiver like you.

You can make a free profile online to share your experience and when you can work. People in your area can search for caregivers on this website. If someone needs help like what you offer, they will send you an email.

Provider Directory

Find a Caregiving Job!

The Provider Directory helps people who need personal care find caregivers.

Starting on the Provider Directory is easy!

- Scan the QR code to go to the Provider Directory.
- **Click** the blue Register button.
- **Say 'Yes'** to the Rules and **click Continue**.
- Put in your email address, make a password, then follow the steps to make your account.
- Make a profile about how you can help. Tell about your past work, when you can work, and other good things about you.
- **Click Save**.

When your profile is ready, people who need help can see it and send you an email.

Don't wait. Start helping people today!
