

A Culture of Caring for you

Life is better at home where you can be independent and make your own choices. Our programs provide a variety of in-home care options to fit your needs.

Self-Directed Attendant Care:

- The Member is the Employer of Record legally with the IRS and hires, trains, schedules, and dismisses their caregivers.
- CDAZ processes employee payroll and taxes on the employer's behalf.

Agency With Choice is a co-employment option where participants control who provides their care and services.

- As the Managing Employer you recruit, hire, train, and schedule your caregivers.
- CDAZ is the Employer of Record and manages all administrative and payroll-related tasks.

Traditional Agency Based Services are an option for you if you want CDAZ to find and schedule caregivers for you.

- We work with you to create a care plan and schedule.
- We hire, train, schedule, and supervise your caregivers while taking care of all employment and payroll-related tasks.

**We are here to help you
live the life you choose.**
